**Resolutions of the 44<sup>th</sup> plenary meeting of ISO/TC 154**  
**2025-09-26**

To distinguish the Resolution by plenary meeting and the Resolution by CIB, “V “ is added for the resolution by CIB, “P” is added for the plenary Resolution.

**Resolution related to the establishment of SG1**

**Resolution P-2025-01 Establishment of a SG1 with title “Standardization content and document” and appointment of Mr. Ronald Henry Tse as the convener**

ISO/TC 154 resolves to establish a new Study Group with the title “Standardization content and document” for ISO/PWI 36100 and ISO/PWI 36200 for further investigation into the topic, and appoint Mr. Ronald Henry Tse as the convener for a period of 1 year.

P-members and liaison organizations are invited to nominate experts to participate in the study group.

**Resolution related to WG 5**

**Resolution P-2025-02 Adoption of a revision of ISO 34000 with no scope expansion**

Considering that the revision of two parts of ISO 8601 will include new and significant concepts as well as updated definitions of terms and the role of ISO 34000 as a consolidating vocabulary document of the field of date and time,

ISO/TC 154 resolves to revise ISO 34000 (with starting stage 20.00) without scope expansion, and the project supports SDG9.

Project leader: Mr. Ronald Henry Tse (tse@ribose.com)

Development track (36 months): the target date for CD ballot: 2027-04-30, limit date for DIS ballot 2027-10-01, FDIS submission (if required) 2028-06-30 and the target date for publication is 2028-10-01.

**Resolution related to WG 6**

**Resolution P-2025-03 Adoption of the second NWIP ballot for ISO 14533-5**

Considering that voting result of the first NP ballot in N1570 (Form6) and comments disposition, ISO/TC 154 agreed that WG6 will prepare a NP to propose the work on the ISO 14533-5, and the second NWIP ballot for ISO 14533-5 will be launched before the end of November 2025.

**Resolution P-2025-04 Adoption of DIS ballot for ISO/CD 19626-3**

Considering that the disposition of comments on ISO/CD 19626-3  
ISO/TC 154 resolves to initiate the DIS ballot for ISO 19626-3.

**Resolutions related to WG 7**

**Resolution P-2025-05 Adoption of a DTR ballot for ISO/TR 16320-1**

Considering the comments disposition on ISO/CD TR 16320-1, ISO/TC 154 resolves to initiate a DTR ballot for ISO/TR 16320-1 based on the updated documents submission.

### **Resolution P-2025-06 Adoption of a DTR ballot for ISO/TR 20180**

Considering the comments disposition on ISO/CD TR 20180, ISO/TC 154 resolves to initiate a DTR ballot for ISO/TR 20180 based on the updated documents submission.

### **Resolutions related to IWG9**

#### **Resolution P-2025-07 Cancellation and restart a revision of ISO 7372 with no scope expansion**

Considering that the project is already on the maximum 36-month timeframe and still at AWI stage, the option of extending for 9 months is not enough for the project development, ISO/TC 154 resolves to cancel and restart the revision of ISO 7372 (with starting stage 20.00) without scope expansion, and the project supports SDG9.
